How to Use This Debt Relief Company Comparison Worksheet

When to Use It

You're evaluating more than one debt relief company and want to compare them side by side. Review each field carefully and adapt it to your specific situation before sending or using it.

Step-by-Step Instructions

1. Copy the comparison column once for each company you're evaluating.
2. Fill in each field based on what the company discloses during your consultation.
3. Note any questions that remain unanswered.
4. Compare your completed columns side by side before deciding.
